

COMING SOON!

Washington University School of Medicine: **Advances in Pediatrics**

Fall 2020 | November 16 – December 31, 2020

Join Washington University physicians at St. Louis Children's Hospital virtually to learn more about topics relevant to pediatric providers. This year, the conference has transitioned to a pre-recorded virtual format available over a six-week period.

When: Content will be available to view between November 16, 2020 and December 31, 2020

Cost: \$75 to gain access to all six pre-recorded presentations. Presentations will be available to watch until December 31, 2020.

How it Works: Once you register, you will be sent a link and password to view the pre-recorded, 1-hour presentations. For each presentation, you will receive one (1) CME credit (up to a total of six).

To Register: A follow-up email with registration link will be sent in late October.

Sponsored by:
Washington University School of Medicine in St. Louis, Continuing Medical Education Office and St. Louis Children's Hospital.

Presented by:
St Louis Children's Hospital
